WHOLESALE FORGERIES.

Peter Van Vlietinger, a real estate
dealer, for years classed among the first
of Chicago's prosperous and reputable
business men, yesterday confessed to
have obtained, through forged deeds
and notes, more than \$700,000. A few
hours after his arrest, on his own urgent
appeal to be punished, he was sentenced
to the penitentiary. The arrest, the in-
dictment, the confession, and the sen-
tence were the work of less than four
hours.

Taken in the midst of business from
his office desk shortly after the noon
hour, Van Vlietinger appeared before
the court, and in tears confessed that,
from eighteen to twenty years, he
had been securing money through the
sale of forged documents, and that,
though he had bought back many of
these spurious instruments without de-
tection, at least twenty-five persons
would lose an aggregate of more than
\$700,000 through the paper which he
has not yet redeemed.

In forging notes, he declared, he had
performed a unique device. This con-
sisted of a plate glass desk top, so ar-
ranged that, by an electric light thrown
up from beneath he could readily trace
from original's forged signatures upon
worthless papers.

Throughout his arrest and sentence
the prisoner made no effort to defend
himself, but only asked that his punish-
ment be speedy. Asked if he had any-
thing to say before sentence was im-
posed, Van Vlietinger, bowing his head,
replied, "Only that I beg my pun-
ishment at once."

His term in the penitentiary was fixed
as indeterminate from one to fourteen
years.

FOR A SANE CELEBRATION.

A regulation to prohibit the sale or
use of fireworks in the District of Col-
umbia on the Fourth of July, or other
dates of public celebration, except on a
permit issued by the commissioners, has
been passed.

The District regulation is as follows:
"No firecracker, squib, or other fire-
works of any kind shall be sold and de-
livered, discharged, or set off within the
city of Washington, or the fire limits of
the District of Columbia, or within the
more densely populated portions of the
said District; provided, however, on oc-
casions of public celebration and exhibi-
tion fireworks may be discharged or set
off on special permits issued by the com-
missioners of said District, defining the
time, place, storage, and such other con-
ditions to be observed in reference there-
to as they may deem necessary to the
public safety."

SIX MEN KILLED.

Six men were instantly killed, another
was dangerously injured, and three
others had narrow escapes from injury
or death in a mine cage accident at
Ellsworth mine No. 1, located in Wash-
ington county, Pa., yesterday. The
mine is owned by the Ellsworth Coal
Company, of Pittsburgh.

The three engineers who had been em-
ployed by the company several years,
but just completed a survey of the mine
preparatory to starting new entries the in-
fated men having assisted them. A heavy
wooden beam was loaded into the cage
and its ends projected beyond the sides,
the men riding on the timber.

All went well until within 75 feet of
the top of the shaft, when the project-
ing beam struck one of the planks of
the shaft's cribbing, and most of the
men were dumped out of the cage. The
six fell to the bottom, a distance of
285 feet, the heavy timber falling on
top of them, and crushing almost
beyond recognition.

A MOTHER'S TERRIBLE DEED.

Hard times and lack of work had re-
duced the family of John Lidner, whose
home is in Brooklyn, Ky., to such a
humane condition that his wife, Agnes,
a red twenty-seven, yesterday after-
noon murdered her two children, George,
aged five, and Clara, aged three, by cut-
ting their throats, and then committed
suicide by cutting her own throat. The
tragedy occurred in Thornhill, a suburb
of Frankfort, and the site of the glass
factory in which Lidner was employed.
His wife, before her marriage, is said to
have been a woman of means, but that
much of the money has been spent by
Lidner, who was thrown out of employ-
ment since the factories were shut down
last fall. Lidner has become a raving
maniac. He was notified of the tragedy,
and is being guarded to keep him from
going the same route.

The soothing spray of Ely's Liquid
Cream Balm, used in an atomizer, is an un-
parallelable relief to sufferers from Catarrh
of the nose. It is a good ointment, and
no wonder. The thick, foul discharge is dis-
solved and the patient breathes freely, per-
sists for the first time in weeks. Liquid
Cream Balm contains all the healing, purify-
ing elements of the solid form, and it never
fails to satisfy. Sold by all druggists for 75c,
including spraying tube, or mailed by Ely
Brothers, 56 Warren Street, New York.

WILL NOT PAY FINE.

President Samuel Gompers said yesterday
to the convention of the American
Federation of Labor in Denver that if
he were found guilty and fined in the
contempt proceedings against him at
Washington he would go to jail before he
would pay his fine or before he would
allow the federation to pay the fine for
him.

The committee on the treasurer's report
recommended that immediately follow-
ing adjournment of the convention the
executive committee shall take up the
proposition of placing its funds where
they may be removed from danger of
attachment.

Treasurer Lennon said he had dis-
covered the matter of safeguarding the
funds with good attorneys, and they all
agreed that it was impossible without
resulting at some time in perjury by
some persons. A suggestion was made
that the funds be deposited in Canada.

Colds and Croup in Children.

"My little girl is subject to colds,"
says Mrs. Wm. H. Merg, No. 41 Fifth
St., Wheeling, W. Va. "Last winter
she had a severe spell and a terrible
cough, but I cured her with Chamber-
lain's Cough Remedy without the aid
of a doctor, and my little boy has been
prevented many times from having the
croup by the timely use of this syrup.
This remedy is for sale by W. F. Creigh-
ton and Richard Gibson."
